With support from:

# Due Diligence

“Action that is considered reasonable for people to be expected to take in order to keep themselves or others and their property safe”

(Cambridge)

Due diligence in a broad sense refers to the level of judgement, care, prudence, determination, and activity that a person would reasonably be expected to do under particular circumstances.

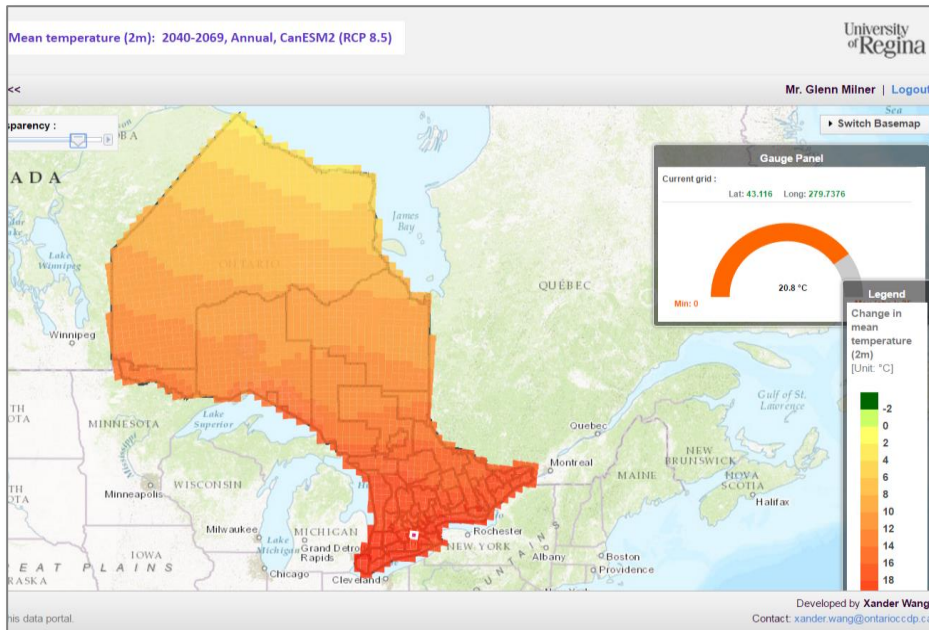

# Opening Remarks

***Learning is not attained by chance, it must be sought for with ardor and attended to with diligence***

– Abigail Adams
